The Honorable Rosa DeLauro, Ranking Member
House Committee on Appropriations
H-307
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I request \$3,285,000 in funding for the Madison Memorial Hospital Radiology Expansion project in Fiscal Year 2027. The intended recipient is Madison Memorial Hospital, located at 450 E Main Street, Rexburg, Idaho, 83440. This funding will allow Madison Memorial to expand its diagnostic imaging and maternal-fetal medicine capabilities in order to better serve the growing population of Madison County and surrounding rural communities. The funding would allow the hospital to purchase critical diagnostic imaging equipment, including a CT Scanner, a C-Arm imaging system, and two advanced ultrasound systems, and the construction necessary to support these services. This project is an appropriate use of taxpayer funds because it will improve access to advanced imaging and specialty services for rural patients while strengthening the hospital's ability to deliver timely, high-quality care close to home.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Simpson" with a stylized flourish at the end. To the right of the signature, the letters "M.C." are printed in a small, blue, sans-serif font.
