Request ID: 43			
Project Name:	Medical Training Facility (BXRH189029)	Request Nature:	Community Project Funding
Member Name:	Simpson, Michael K.(R-ID)	Member's Request: (in thousands, \$000)	\$6,500
Justification:	Construction of the Medical Training Facility is supported by the Military Division of the State of Idaho, the Adjutant General of the State of Idaho, the Mayor of the City of Boise, and the Idaho Division of Veterans Services. Project design has already been funded and is 100% complete. An Environmental Assessment has been completed and this project received a Finding of No Significant Impacts (FONSI) dated 3 Nov 2020.		
Project Purpose:	The purpose of this project is to construct a 10,550 square foot Medical Training Facility to provide administrative area, classrooms, laboratories, exam rooms, record storage, and mobility training storage for the 124th Medical Group. The project entails construction of a new building with site improvements to include pavements, utilities, communication support, as well as demolition of 3 sub-standard buildings/7,951 square feet on the site. This project will provide a facility that complies with patient privacy requirements and space authorized for military medical and training functions. Construction of an adequate facility directly benefits the Department of Defense and the State of Idaho in ensuring the medical readiness of the 1,300 Airmen assigned to the 124th Fighter Wing as well as producing trained medical professionals capable of deploying to Federal mission tasks around the world and to State mission tasks throughout the state of Idaho.

The Honorable Mike Rogers
Ranking Member
Committee on Armed Services
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Smith and Ranking Member Rogers:

I am requesting funding for a National Guard Medical Training Facility in fiscal year 2022. The entity to receive funding for this project is the Idaho Air National Guard located at 4447 S De Haviland St., Boise, Idaho, 83705.

The funding would be used for the construction of a 10,550 square foot Medical Training Facility to provide administrative area, classrooms, laboratories, exam rooms, record storage, and mobility training storage for the 124th Medical Group. The project entails construction of a new building with site improvements to include pavements, utilities, communication support, as well as demolition of 3 sub-standard buildings/7,951 square feet on the site. This project will provide a facility that complies with patient privacy requirements and space authorized for military medical and training functions.

This project is an appropriate use of taxpayer funds, and the construction of an adequate facility directly benefits the Department of Defense and the State of Idaho by ensuring the medical readiness of the 1,300 Airmen assigned to the 124th Fighter Wing as well as producing trained medical professionals capable of deploying to Federal mission tasks around the world and to State mission tasks throughout the state of Idaho. Strong community support has been

demonstrated for this project, and the Department of Defense has listed this project on the FY 2021 Future Years Defense Program and the FY 2022 Air Force Unfunded Priorities list.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Mike Simpson" with a small "M.C." to the right.
