Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the I-15B (US-30) McCammon IC TO Old US-91 project in surface transportation reauthorization legislation.

The project sponsor for this project is the Idaho Transportation Department and the project is located at I-15B (US-30), McCammon, ID 83250.

The funding is designated to extend the life cycle of this highway segment. This is part of a major trucking corridor in Southeast Idaho and has a history of deep ruts and cracking.

The project is an appropriate use of taxpayer dollars and will minimize roughness and improve the ride, thereby improving the safety and mobility for travelers. The approaches into the gas stations will also be improved for vehicle clearance.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mike Simpson" with a stylized flourish at the end. To the right of the signature, the letters "M.C." are printed in a small font.
