

**References**

Map data sources include the Intermountain Region Automated Lands Program land status data, Forest Service FSTopo data, and general base map data from ESRI.

Copies of this map are available for public inspection in the Office of the Regional Forester, Intermountain Region USDA Forest Service, 324 25th Street, Ogden, Utah.

For additional information, please contact Congressman Mike Simpson's Staff at (208) 334-1953.

**Disclaimer**

Features represented by these data may not represent accurate geographic locations. The Forest Service makes no expressed or implied warranty with respect to the character, function, or capabilities of these data or their appropriateness for use. The Forest Service may, at any time, correct, update, modify, or replace these geospatial data without notification. These data are useful and may be used for land and resource management planning and other analyses. However, these data are not legal land surveys or precise depictions of ownership boundaries.
